Our goal is to present the **wide range** of capabilities of the Czech Republic and its allies. The admission has always been and always will be free.

The biggest security show in Europe. The event belongs in a club of prestigious European shows and it is the most visited two-day family event in Czech Republic.

The main programme

takes place at the Leos Janacek Ostrava airport and consists of presentation of military, police and rescue equipment, dynamic displays of various special units, flying displays and presentation of ar-

maments, equipment and assets of various units. There is no other venue where it is possible to observe the brilliance of not only soldiers, firemen and policemen but also service members from custom services, pri-

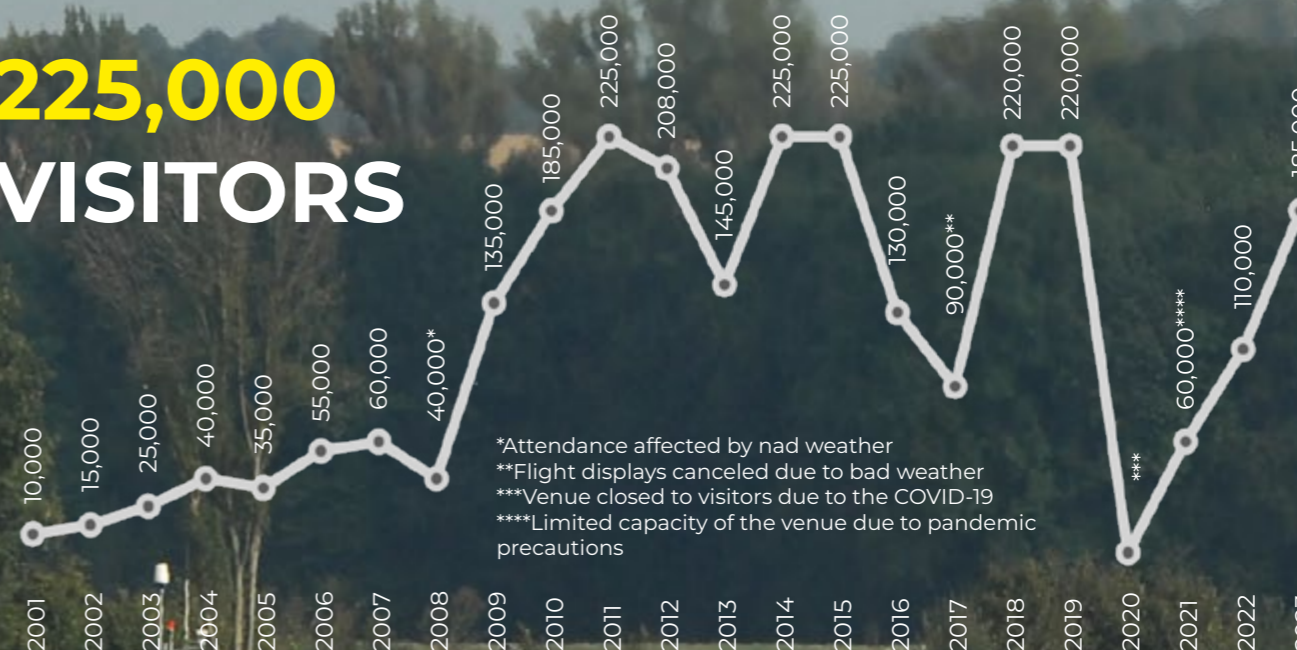

son services, municipal police and other elite units. Debates, film projections and seminars are also part of the accompanying programme.
